

FOR IMMEDIATE RELEASE

### **BOULEVARD adds Wayzata Office**

MINNEAPOLIS, MN. **January, 30, 2020** – Boulevard Wealth Management, Inc. has opened its fourth registered Minnesota location in Wayzata, Minnesota. Opened January, 2020, the newly-registered service location is equipped with the same technology and digital security as other BOULEVARD locations, and utilizes the same industry-leading Privacy Policy following a HIPAA standard.

The unique setting offers an urban escape for the firms' client families. It also provides BOULEVARD employees with a location for team-building meetings. In addition to professional use, other areas of the property are purposed for meeting and Bible Study space for multiple local Churches. The surrounding woods and pond, in addition to the 3-acre field, are currently being redesigned for serving the needs of local teens.

After opening the Wayzata space, Aaron Kolkman, MSF, CFP®, had this to say: "I couldn't be more excited about this special place. BOULEVARD provides a Family Office™ experience to its clients, and this location fits with that model in every way. This can be the same safe place for client decision-making, that everyone has come to expect from BOULEVARD. Our practice and its client families have truly been blessed."

BOULEVARD is a comprehensive wealth management firm based in Eden Prairie, Minnesota. Started during the 2008 financial crisis, the firm maintains multi-state investment advisory registrations and is a licensed insurance agency.
